The Coastal Haven Main Floor Description

This beautiful home opens to a spacious entry with an inviting foyer complete with closet. Just beyond is a hotel-style full bathroom with marble floors, and a separate entrance off the double car garage.

The main living area boasts a stunning kitchen which features a large eat-in center island, huge dining room with over-sized windows, a spacious great room area and double French doors leading to a covered lanai.

This open concept living with ten foot high main floor ceilings is perfect for entertaining and has a discreet pocket door which closes the living area off from the rest of the house to ensure privacy.

The Coastal Haven Second Floor Description

The gorgeous master is luxury personified with large his and hers closets and a lovely private deck. The master ensuite bathroom is a five-star experience with a large soaker tub, huge custom walk-in shower and dual vanity.

Other features of the second floor include a family room with huge clerestory windows and ceilings up to 13 feet. The three spacious bedrooms, a full bathroom with dual vanity and convenient laundry room complete the upper floor.
